

## **Buses Coming to Crazy Horse for the Volksmarch**

How to help walkers, on buses, get on the trail as soon as possible:

- 1) As soon as you know you are coming (at least 2 weeks before) let the POC (Point of Contact) know so start cards can be mailed to you.
- 2) The POC needs to know the name and telephone number of the contact person for the group or school coming to do the volksmarch, and the number of start cards you need.
- 3) When you receive your cards –fill out both sides and sign (DO NOT TEAR APART)—See example. For school groups with walkers under age 18—Student name on both sides and the address can be a school stamp or label. The Amateur Athletic Waiver and Release of Liability should be signed by the school.
- 4) Crazy Horse has waved the entrance fee to the Memorial for those doing the volksmarch, instead, three cans of food per person at the entrance gate is requested. If your group does not have the 3 cans of food per person, please contact Group Sales at Crazy Horse Memorial at 605 673-4681 as to your Memorial entrance fee.
- 5) Cost and Payment—The volksmarch registration cost per walker is \$3.00. Groups may pay by check or voucher. Write checks or vouchers to:  
Black Hills Volkssport Association  
PO Box 2046  
Rapid City, SD 57701
- 6) If you need the BHVA club tax exempt , it is: 46-0411015
- 7) Metals are available at an additional cost of \$12.00 at the metal table-- at registration or at the finish tent.
- 8) Let the POC know about what time you will get to Crazy Horse—so a BHVA member can meet your bus.
- 9) When your bus arrives at Crazy Horse, let the entrance gate know you are volksmarching and proceed up to the parking lot across from the registration gate. If you have a smaller vehicle with your group, they should travel with you to the top--not to the other parking lots. The POC will meet your bus and give you information about the walk and answer questions. The start cards will be stamped PAID and off you go!
